“ Aliceson,

Grandma and Grandpa are thinking of you today, well we do all the time but especially thinking of you today. We saw the flocks of snow geese and they are so amazing to watch as they soar and swoop around the sky...we know you are flying high with them and all the others in heaven.

We love you,

Grandma Julie and John

“ Aliceson daddy wanted to share these with u and show u all the love and support that was there for u never was u alone and we always thought of u and not a day goes by when we dont miss u. Your aunt jenny was there alot and helped with everything. Your cousins visited u as well. Daddy was there 24/7 thru it all and then grandpa john was there and then grandma julie was the rock that stayed strong and sang to u and talked to u when daddy was weak so we all played a part and we all love u and miss u and think of u. But spread your wings and fly baby girl I love u your daddy Jeff Wahn

SM

There 24/7 huh? Why isn't there any pictures of her mother u know the one that had her the one that carried her loved her never used her death to benefit from her death.. never wanted ppl to feel sorry for me. Never want ppl to know that I lost her because I don't want pitty.. u use our dautghers death for attention and pitty and it is sad and very much pisses me off.

“ *Precious little Aliceson,*

We've lit this candle for you because even though you're not here with us you are lighting our path and showing us the way forward in this world. We will never understand why you could not be here with us, but we do see things differently, and better, more clearly--for you have touched our lives.

*We Love You,
Grandma Julie and Grandpa John*
