“ *I am so sorry to learn of Arissa's passing. I know though she is very happy to be with her Lord, Jesus Christ whom she loved so much. I remember going to Meyer Care and helping her learn to crochet. Also many visits via phone and ALWAYS ending the conversation either in person or via phone with the chorus of, "Every day with Jesus!" Although I had not had the privilege to visit with her since she left Meyer Care...I thought of her often. She was a very sweet and caring lady!!!*

“*Rosanne, Charlie and family: My sympathy to all in the passing of Arissa. I worked with her when she worked at the Hab Center. My office was across the hall from her's and Jane's. So sorry for your loss.*

“ Charles, Rosanne and family, and Charisa,

I am sorry to hear of dear Arisa's passing from the earth. It is a great loss to all, but we know that she is at home with her Lord and that is a great comfort. I remember going to your parent's statuary store and how I enjoyed walking around the beautiful yard that she and Winifred had. They were always so cheerful and it was a blessing to be around them. After Winifred had the accident, Arisa took such good care of everything--she was always busy and worked very hard. I was blessed with her correspondence--we wrote letters back and forth and the news was always secondary to the sharing of our mutual love of Jesus. It is rare to have that kind of letter. The last one I received was when she was in the Meyer Care Center--I still have it and read it again today. I am looking forward to seeing dear Arisa again in eternity with our blessed Lord and Savior Jesus Christ. May His love surround your family at this time and may the wonderful memories that you have give you peace and joy. I was glad to see the picture of Arisa and her little great grandson--I know she must have loved holding him. The Lord is kind.

"For from Him and through Him and to Him are all things. To Him be the glory forever. Amen." Rom. 11:36

Life truly is a vapor. James 4:14

“ So sorry for the passing of a dear, long time friend. Gary has known them from early days at Bro. Wilson's church, then our families had many good times together in K.C. Such wonderful memories with such Godly, loving people! Wish we could be with you at this time.
God Bless
