“ Cam always had a word of wisdom for me, a gentle smile and a hug. I remember great times hunting pheasants on his trips up to Iowa. As a young boy I remember working on coin collections at his kitchen table, and marveling at all of the neat stuff in his workshop. He was a great uncle to have.

“ I worked with Cameron at Bendix. He was a very good friend and a special person. I am so sorry for your loss. Just remember that he will stay in our hearts forever.
