“ *Carol was winsome with people and we so enjoyed her as a board member for Christian Preschool Association. She and Earl put their hearts and souls in preparing for our summer conferences. Oh the memories I have of Carol when we went to the Nataional NAEYC conferences! Deena Smith and I were reminiscing yesterday about It on our trip to Toronto! Carol and i were trying to bring a bunch of toys through the airport customs and we were reprimanded by the guards! We laughed and laughed about it...of course after we got away from those stern guards! Oh the fun we had! I have enjoyed having her granddaughter Christina work for We Care during the summer. Oh the lives Carol has touched! She will be missed by many! Love you Carol! 💕💕Peggee Schwartz*
