“ I had the honor of having her as a stepmom for many years. I always enjoyed being with her and letting her do “girly” things with and for me. She was such a happy soul and was just always such a wonderful light to be around. She will be dearly missed.

“ RIP cousin Carolyn. Your suffering and fight is over. I think of that smile when you saw Rodney, Larry Gene, Morris and your parents and family. Will always be missed, but not forgotten.
