“ Mitch and the Schaeperkoetter Family...

Belatedly, I add my condolences at the loss of this good and decent man who gave so much of himself to others. Bud Schaeperkoetter was a dear man of whom I have so many great memories.

When I first ran for state representative as a fairly young person--now so many years ago--I went out looking for someone from the Corder community who might be willing to acknowledge support and add credibility to my candidacy. I remember tracking down Bud and his kind and generous father, Charlie, out in the field one afternoon. Although he barely knew me, Bud was willing to take a chance with me and lend his assistance. I remember feeling so honored--and encouraged--that someone of his stature would help me.

It was Bud and Charlie who encouraged me to join the Corder Lions club. That was an association that I would enjoy and gain from throughout the years we remained in the area. What a neat, fun-loving and committed bunch of guys they were!

I regret that I have not had much contact with Bud in recent years, but always a sense of appreciation and affection has come to me as I have thought of him often over the years.

My thoughts and prayers continue with you as you mourn his loss and celebrate his life. His was indeed a life well-lived!
