“ I was very sorry to learn of Kim's passing. I did not learn of this until today, 9-7-10. My deepest sympathy and condolences to his family. Kim was a good friend during our high school years. He was dependable, fair, super intelligent and level-headed. He graduated Valedictorian of his class. I remember when Kim bought a 12-string guitar from me during our first year in college. He very much wanted that guitar. Even though we lost track of each other in the intervening years, I hope he learned to play that guitar and received much enjoyment from it. I have thought of Kim many, many times since we lost touch during college. I'm sure he was a fine attorney, husband, and father. I will miss him a great deal. Please know that my thoughts and prayers go out to his family. May God keep all of you in peace during this time.

“ My condolences to the Null Family, During this time of great sorrow, may it comfort you to know that others are deeply touched by your loss. I too know the pain of losing someone dear. Even though our hearts are broken, rest assure that our Grand Creator cares about you personally (1Peter5:7) and can help you though this difficult time.Revelation 21:4 speaks of a time soon when God will do away with death forever. There will be no more sorrow, heartache, or pain. May your happy memories and sure scriptural hope comfort your hearts during this painful time.Please remember that during Jesus' ministry, he healed the sick and resurrected back to life on earth many that had died, giving proof of his power over sickness and death. Jesus made a promise to all who have lost loved ones in death at John 5:28, 29 which reads: The hour is coming in which all those in the memorial tombs will hear his voice and come out. Yes, Jesus Christ promised that all those in God's memory will live again under beautiful conditions like the Garden of Eden. May this bring you peace.
