“ I could not wait for you to come home from work, so you would sit down in the chair and I could sit on your lap. After you left all I ever wanted was a relationship with you. Breaks my heart that we will never have that. I love you more than you will ever know. I love you dad RIP till we meet again.

“ Dan & I grew up together,parents played cards,We were in the same grade 12 years, FFA,4H ,played sports, and were in the same Army Reserve unit for 6 years.Dan was always happy go lucky and smiling. Dan drove several of us to basketball practice and one night a bunch of pigs got out and was on the road when we came home and Danny did the best he could to avoid them but went over a few and it was like riding on different sizes of ball bearings but Danny kept the car under control.Our sympathy goes out to the family.

“ *I was sorry to learn of Dan's passing.*

My name is Tom Schroer. I met Dan in the 6th grade just before Hardin Northern School was started in 1959. We graduated high school together in 1964.

Dan was liked by all who knew him because of his easy going ways and cheerful personality. He was one of the finest athletes that our high school ever had. He started as a Freshman on the Varsity Basketball team and was a leading scorer for 4 years.

We all admired Dan and share in your missing him.

God Bless You,

Tom
