“ *My sincere condolences to you on the loss of your loved one. I had no idea there were KEGLEY descendants in the area. I have been researching the line for many years now. I am in northwest Ray County, Missouri. At some point in the future I would be grateful to communicate with you about your KEGLEY family and heritage if any of you are interested. I promise I am not a crackpot. Again, my condolences on your loss. It is never easy to say goodbye to those we love. May each of you find a level of peace and comfort in the days to come and may your memories keep him alive in your heart always.*
