Aunt Debbie was the ever. She had so much love and care for her friends and family, and I loved her so much, but I don't think that I showed that much, and I regret that deeply. She is the sweetest person I've ever met and I love her with all my heart and I would do anything to spend one more minute with her.

“ Debbie was one of my most dearest friends. We lost touch after leaving East High School. I thought of her often, and tried to locate her. I shall always remember the most kindest person that I have ever known.
