

## Dick Tracy

November 15, 1943 - August 29, 2021

Richard "Dick Tracy" Dale Tracy, 77 of Lexington, Missouri met his Heavenly Father on Sunday, August 29, 2021, at Centerpoint Medical Center in Independence, Missouri.

He was born Monday, November 15, 1943 in Higginsville, Missouri, and was the son of the late Floyd "Cotton" Tracy and the late Geneva Tracy (Chapman).

He was a graduate of Corder High School and married Linda (Lowe) Tracy on December 23, 1971.

Dick Tracy started his career as a locomotive train engineer but it ended after 18 years with an early retirement due to an injury. He then entered law enforcement for 20 years and had a second rewarding career as a Lafayette County Deputy and past Police Chief for the City of Wellington. In his retirement he drove the Oats Bus and enjoyed the company of the people he transported. Dick Tracy was a man who valued hard work and integrity. He was a Godly man and loved telling people about Jesus and the wonderful things He has done in his life. He was a faithful and active member of the Living Water Family Worship Center in Buckner, MO.

Dick Tracy's pride and joy was his family. There wasn't a second that went by that he didn't want to be around his grandchildren. He attended every sporting event and supported his grandchildren with his love and affection. At Christmas time he gave out goodie bags and enjoyed telling stories of his life. His grandchildren and great-grandchildren have fond memories of the fishing

outings that he frequently took them on. Dick Tracy will be sorely missed, but remembered as a man that loved Jesus and was thinking of his family until his very last breath.

“ *Dick was a graduate of corder, class of 1962. The Tracy twins and the Bedford twins grew up together. It is so sad that Dick has passed away but he's definitely in heaven receiving his rewards. We are unable to attend the service but our sympathy and love go out to his family.*

“ *Growing up with his daughter Genny and spending time with family was special. Dick would always take time to explain matters and make us laugh. He was a bright light on this earth. Am thankful to have known this wonderful man. -Cristina (Schooley) Bieber*
