“ A great friend that I remember fondly of my time pastoring Corder UMC. They had a German Shepherd when I was their pastor, I used to play fetch with him. Don said, 'you have made a lifelong friend!

“ For several years we lived on a farm next to theirs. I fondly recall walking there to play and for 4-H meetings. Don was always very kind. I recall one day when he made us homemade potato chips...I recall as a young kid that was a very special treat.
