“ Dawn and Craig - I want to extend my deepest sympathy to you both for the great loss of your mother Doris. I didn't have the pleasure of knowing her, but imagine she was a beautiful and loving person and one that will be missed by all that knew her. May you be surrounded by many friends and family that will help comfort you at this difficult time. God is good and I know HE will give you the peace, strength and comfort to get you through the days ahead. God bless you and your family.
