

## Eddie Domuret

August 9, 1966 - May 14, 2026

Edward Roger “Eddie” Domuret, 59, of Higginsville, Missouri, passed away Thursday, May 14, 2026, at Kansas City Hospice House in Kansas City, Missouri.

He was born Tuesday, August 9, 1966, in Chicago, Illinois. Eddie later moved to Missouri for work and built a life doing what he knew best, working as an automobile repairman and auto body painter. He was talented with his hands and took pride in his work. Later in life, Eddie worked for McDonalds in Higginsville.

Eddie enjoyed the simple things in life. He loved listening to music, watching his favorite television shows and especially enjoyed history programs. He had an artistic side and liked drawing and creating art. He also enjoyed riding his e-bike and spending time outdoors. During one part of his life, Eddie lived in Alaska, where he developed a deep appreciation for the mountains, wildlife, and beauty of nature. He was someone who enjoyed life in his own way, whether that meant relaxing with a good beer and a cigarette or simply enjoying the things that made him happy. Most of all, Eddie will be remembered for being genuine, independent, and true to himself. He will be deeply missed by those who knew and loved him.

He is survived by his significant other, April McCabe, of the home. Friends will have a private celebration of life at a later date.
