“ *I remember Elsie teaching me how to build those Ace 5 channel and 7 channel radios when I began to work at Ace back when??? several years ago. She was so meticulous and always so kind and friendly to me. You will miss her, but there are many good memories of her you her family have. My prayers and sympathy.*

“ *Jennie and Family,*

My deepest sympathy on the passing of your Grandmother. May she be at peace from all her pain and suffering--and reunited with your Grandfather.

Warmest thoughts and prayers--Cindy
