“ Dear Mike and Shirley, Gary and I are so sad to hear of Mike's father passing yesterday. I never met him yet I know he was a very special man. This is because he raised a wonderful man in Michael who in turn raised a good man in John. Glenn is no longer on this earth in the flesh yet he survives in all of the Emis men. God bless you Shirley and the entire family. And we pray that your grief will be softened by his legacy.

“ Dorothy and family, Mom (Shirley Stoll) is in Texas and I called to tell her about Glenn. She wanted me to be sure and give you her condolences. She also said she was so glad to get to see him at Mr. Stuenkel's visitation. They did love to tease one another. May God put his arms around you and give you peace and comfort.

“ Mrs. Emis -- So sorry to hear of the passing of your husband Glenn. You may not remember me but I was the nurse who cared for your husband Friday night, January 27, on the med/surg unit of the hospital. May you and your family hold on to the wonderful memories of Glenn and not focus on his last few days. I will say a prayer for all of you. God bless you all.
