

Grant Pardoe III

February 17, 1966 - January 27, 2023

Grant Hugo Pardoe, III, 56 of Higginsville, Missouri passed away on Friday, January 27, 2023, at his home in Higginsville. He was born Thursday, February 17, 1966 in Kansas City, Missouri, to the late Grant Pardoe II and the late Ruby Gast (Cooksey).

Grant had a rough childhood and struggled with alcoholism. He didn't have the greatest family life and struggled to find himself as a young man. He enjoyed taking things apart and building, so being an auto mechanic felt second nature to him. He had a massive stroke at a young age that set him back, but it wasn't too long after the stroke he found sobriety and happiness in life.

He received a scooter and loved being independent and able to still leave the house. He'd ride all over town doing his own grocery shopping and banking. He enjoyed scavenging and collecting scrap metal and cans for extra cash. He loved to go for long rides and just spend time enjoying the scenery. His neighbors loved him and would help him anytime they could. Even though he didn't have much, he had a huge heart and cared for anyone needing help. He would take in stray cats so they had a warm place to sleep and a meal to eat. It took major health problems to change Grant, but he died a happy man that knew he was loved.

Surviving are one brother, Eddie Pardoe of Higginsville; one nephew, Johnathon Pardoe of Higginsville; two nieces, Amanda (Daniel) Hardy and Brandy Freeman; ten great nieces and nephews. He was preceded in death by his parents; one daughter, Christina Pardoe and one brother, Donald

Bench. The family will have services at a later date.
