“ *Jeanne and family: Please accept my deepest sympathy. Herb was such a good man, and he touched so many lives (mine included). I hope you can find comfort in knowing that, and that it will help ease the pain. God bless each of you.*

“ *Herb welcomed me to Wincup, and to Higginsville 5 years ago. Herb and I spent countless hours discussing business, politics, and more importantly, life. Because of Herb, for the first time in my career, I didn't have to worry about the factory when I left at night. It was in good hands. My heartfelt prayers are with Jeanne and family. Wincup and Higginsville lost a good man, I lost a friend, and God received a tireless angel.*

“ *I assume Herb possessed the high character, same energy, passion for life, enthusiasm, connectivity and concern with others, caring /sharing nature and keen sense of humor as his nephew, Joel, who is such a great person and is liked by all who know him in Nashville, and , of course, wonderful Molly is regarded highly here as well. Joel is surrounded by friends here, particularly @ The Nashville City Club and Kiwanis Club of Nashville and each of us send our condolences and support to him and his family during this most difficult time with Herb's demise.*

Know Herb is at total peace now and is in Heaven as his reward.

May God continue to bless his family.

Respectfully,

George H. Armistead, 111

“ *Herb was the one to hire me at Wincup back in the late 1990's. I was young and had never worked in manufacturing, and clearly didn't have a clue what I was doing. While others were sure that I would fail, Herb encouraged me to keep trying. He taught me to never give up and to not worry about making mistakes, because everybody makes mistakes. I will miss his kindness.*
