“ *My love, prayers, and sympathy to Irma's family. I spent a lot of time with Irma over the years and will now treasure those memories even more. My sweet cousin is basking in her eternal life with her husband and other family that was waiting for her.*

JA

The few times I was able to visit with Irma, I could see and hear the love she had for her family. Irma will always be remembered for her kindness. Prayers and love to her family.
