“ Please know are thoughts and prayers are with you and Sean at this difficult time. I enjoyed getting to know Jim in cub and boy scouts. He was always friendly and willing to volunteer for what was needed to help the troop succeed.

I think Jim would agree with the quote below:

"If ever there is tomorrow when we're not together...there is something you must always remember. You are braver than you believe, stronger than you seem, and smarter than you think, but the most important thing is, even if we're apart...I'll always be with you."

“ Carol and Sean,
Our hearts are with you at this time. Jim was so special and it is hard for me to imagine a world without him in it. He was so kind to me and the girls.
Sean - you had a great dad. He loved you very much. I know that he will be looking down on you from above.

“ *Jim was one of the first people I met (he was a city alderman at the time) when I came to Higginsville to work at the newspaper. He was so nice, and always had a smile. My thoughts and prayers are with your family.*
