“ I was so sorry to hear of Uncle Jim's passing. What a great man he was. I never would have guessed his age as he always just kept going at whatever he attempted with no complaints. He was always so helpful with anything I ever needed at Legion Hall and greatly missed him as he tried to step down from his duties there. I still spoke with him by phone and told him things would never be the same at Legion Hall without his oversight. He was a gracious, caring hardworking individual who will be greatly missed by our entire community.

“ I just learned of James' death. I'm so sorry for your loss. He was such a great guy and helped me so much with our geneology for the Summer's side of the family. I saw him last at Mom's visitation. It was so nice of him to come. I'm sorry that I didn't attend his services to pay respect.
