October 13, 1975 • June 7, 2026

Jose Alfredo Valle Medina, devoted husband, loving father, cherished son, brother, entrepreneur, mentor, and friend, passed away on June 7, 2026, at the age of 50.

Born in Mexico on October 13, 1975, Jose grew up surrounded by family, tradition, and resilience that shaped his strong work ethic and deep loyalty to the people he loved. At 14, he moved to Washington State, where he built a new life and lasting connections that remained important to him throughout his life.

In 2002, Jose moved to Iowa, where he met his wife, Eve. Together they built a life centered on love, hard work, and family. They raised their children—Adrian, Desiree, Israel, and Elena—who were his greatest pride and motivation.

In 2022, the family moved to Missouri, where Jose continued building and

creating through his work with Alma Warehouse. He was an entrepreneur at heart who believed in opportunity, effort, and providing for those around him. He took pride in working hard and pushing forward, no matter the challenges.

Jose will be remembered most for who he was to others. He showed up for people without hesitation—offering help, guidance, and support whenever it was needed. His humor, energy, and presence could change the atmosphere of any room. He had a gift for turning ordinary moments into lasting memories.

He believed strongly in family, forgiveness, and perseverance. He often reminded those closest to him to let go of pride, stay united, and not waste time on anger. His way of living reflected his belief in moving forward and loving deeply.

Jose is survived by his wife Eve; his children Adrian, Desiree, Israel, and Elena; his mother Elena Medina Soto; his siblings Griselda, Raquel, Augustine, and Fernando; and many extended family members and friends who were impacted by his life.

He was preceded in death by his father, Jose Alfredo Valle Medina, and his brother Antonio.

Jose's legacy lives on in the people he loved, the lessons he shared, and the strength and laughter he brought into the lives of others.
