“ *I was saddened to hear your loss. I'm the daughter of Janet (Schloman) Erdman and I had worked at the Concorida Vet Clinic until moving down by the lake. I remember going to that farm to assist Dr. Smith in pulling calves (twins) and you all bringing your dog to the clinic. I've seen you around church too when we would go for special occassions. I want you to know that you all are in my prayers, but take comfort in knowing that Kenny is forever with our God and one day we all will be there too to have great fellowship!Beth Fizer and family*
