“ So sorry about the loss of such a wonderful man. Kenny was someone I always looked forward to seeing come to the Locker Plant. There never was a time that I can remember that he didn't have a smile on his face. He was always so very friendly and always showed genuine concern for those around him. I bowled with Kenny in Concordia for a few years and will always remember the good times we shared doing so. Kenny always made me feel better about myself after visiting with him and I feel so very lucky to have known him.
