“ *ElDean: Joyce told me of the loss of your brother and I was sorry to hear it. Do wish I could attend the service for him as have always appreciated you and Stanley being there for our family for so many times. Am hoping you will find many happy memories in the days ahead. Love to you and Stanley.*

“ Ken was one of my closest friends for over five years. He always had my back anytime I needed him. He worked with his hands better than anyone I ever knew. I am sorry that we didn't stay in touch the latter part of our lives. My deepest sympathy to the family.
