“ Our precious grandson Landon, you were only here for a short time but we will always treasure the time we were given with you, as it was very very special. Thank you for fighting so hard, so we could have the moments with you. You make us realize we need to appreciate every moment, to not take anything for granted.

Now you are in heaven, with your big sister and grandparents...watch over us, OK? until we see you again let your light shine like this candle we have lit for you to show us our way forward

We love you and miss you so very much,
