“ Larry and Pat both attended Corder High School. He was two grades ahead of her, but it was a small school and everyone knew each other well. He was also a neighbor and friend of Pete when growing up in rural Corder. His brother was our best man at our wedding. He was a great baseball player and so fun to watch. A friend who left us way too soon. He will be missed.

“ We all love your dad here at the Hab Center. One time I called him Frog instead of Toad, he got a real kick out of that. I'm truly sorry for your loss. He will be missed.
