“ *Laverne was such a gentle, kind, soft spoken lady. I feel blessed that I had the chance to get to know her. She was a joy to visit with; and she loved to share a cup of coffee and talk about her family. May God's peace be with you all!*

“ Whenever I spent time with her, family was the focal point. LaVerne loved her family and was proud of each of them. Who was her favorite? All of them!

God's peace and comfort to all the family. May your grief be softened by knowing your loved one is enjoying eternal Easter.

LaVerne and Jack were neighbors of ours for many years. They belonged to a card playing group my parents were part of. I have known her all my life, as a warm and caring person. She will be missed by many! Wishing peace to the entire family.

Shirley and I are the most blessed having known most of the Lutheran family since 1967. I'm not good at all with condolences. Shirley will proof read this before it's sent. Jack and LaVerne and family will be remembered for so many reasons they probably won't even know, one of which we want you to know about. They along with Mrs. Starke, Tim Thurmon and Jack & LaVerne are the reason The Starke-Blosser Scholarship fund exist Today. It's here today because of Mrs. Starkes complete trust in Jacks honesty and advice to Mrs. Starke. We, the Alexander and Rhodes families are fortunate to have been able to live and expreience life and god in such good times. looking forward and will, with Marks help, keep the pass open to see you again! Agnes, Spike and Mike. Only you're friends will know.
