Mr. Morris and family, I am very sorry to hear about Linda. We graduated the same year and most often we were seated next to each other in class. I have seen her a few times through the years and I enjoyed speaking with her. I know she will be missed by many.

Susan and family - I am so sorry to hear about your mom. I never met her, but I could tell from her FB posts that you got your sense of humor from her! She seemed to be a wonderful woman and a doting grandmother! Prayers for your family.
