“ Linda and I met through Immanuel Lutheran School when our children both attended there. Such a great mom to her kids, being involved in their lives wholeheartedly both at home and at school events. I learned later when she was dating a very dear friend, Tommy, that she was the sister to my cousin's husband! Now how did I miss that! Linda was an honest & genuine friend who would put others before herself. What a wonderful example of how I need to live my life. I will always love and remember you Linda! Janice
