“ *Please accept my sincere condolences in the passing of your dear & beautiful Mother. My Mother, Jenetta Doseff, became a pen pal friend for over 50 years after having just met Lucille one time. When my Mother passed, I kept in touch with Lucille as often as possible, and I cherished the many conversations I had with her. She was such an interesting person and so very sweet. Recently, I had not been able to reach her by phone...that is when I decided to Google her name. I was so saddened that I was not able to have a more recent conversation with her. You girls can feel much comfort in knowing she had a beautiful & fulfilling life knowing that she is now at peace.*

*Sending my prayers of peace, love, & comfort to all of the family.*

*Lucille and I have been friends for 30 years since we were assigned to be roommates on a trip to Canada in 1988. We enjoyed each other and for many years met each summer in Lexington to have lunch and catch up on family news. We always exchanged Christmas letters. I admired her spirit of service to others and all the volunteering she did as long as she was able. I'm in Independent Living here at John Knox Village East. When she came to live in Meyer Care, I visited her several times. I extend my deepest sympathy to her family. She will be greatly missed in the community. Tomorrow at Bible Study at Meyer Care, I will give the Central Christian Church minister a memorial in memory of Lucille. She was a true friend.*
