“ *Margie was my second mom and loved me no mater what! She was the great spoiler! She used to get onto Frank for letting me wear his boots and smoke on his cigars. Many a Springfield bowling trip for mom and dad had me spending the weekend with Margie, Frank and the horses! Love you Margie!*

“ I worked with Margie for several years at Ace R/C. She never failed to tel you exactly the "way it was", but I appreciated her for that honesty.

One day I saw her nearly faint....she had dropped an exacto knife and it went into her thigh. It wasn't really bad, but she put her head on the table and I knew she was not dealing well with it.

She was a dear lady whom I enjoyed having in my life. My husband also had Frank as a teacher before he graduated in 1960.

My sincere condolences to you Frank and Mona. She will be missed.
