“ Sending my love and strength to my Missouri family as you lay Margie to rest. She was a true angel on earth and now in Heaven. I cherish the time I had with her and you all when I would visit every summer growing up. She always welcomed my sister and I into her home and treated us as her own. It was just her nature to take care of everyone she met. That's a rare quality and I can only think that she was somehow called to Heaven for that reason. I feel comfort knowing she is watching over us from above. And instead of goodbye, I'll say see you again someday, Aunt Margie. I love you!
