“ *Gilbert, having been where you are now I know that the Lord is your best comfort. I will always remember the kind words and wishes that you and Mary gave me when Margret (Fritz) died in 2000. May the Lord stay with you and help give you peace.*

“ It hurt my heart to open facebook today, to find out such a lady has passed and left us memories --(good ones). Mary was one of the best nurse's you could work for, or friend you could have. Strick~ but, for the people we cared for. Mary showed me things and made me see how other people's feeling came before your own, if your sick deal with it, (there is always someone worse then you.) I think that's one of the reasons I stayed in nursing Miss Mary, You will truly be missed by all that knew you. Take your wings as you deserve and please watch over me (as I know you will.) Missing you already, Robin Reid
