“ *I always remember Cahill. My Dad worked with Melvin at the Mayview elevator.  
After my husband went to the nursing home. Melvin was at his table with him. I enjoyed knowing CAHILL ALL OF MY LIFE.*

“ Sorry to hear of your loss. I am sure Mr. Cahill will be missed. He was such a kind man. I grew up across the alley from the family. Remember him preparing snapping turtles to be cooked after a day of fishing.

“ Cahill was a friend of my father Joe Bartels and a friend of mine. I think he was the same age as my dad. I went fishing with him in our ponds more than once. I was sad to hear about his passing and it brought back a lot of memories of the Mayview elevator and Cahill working with my dad and the hogs. I can see him taking a deep drink of ice water on our porch as he did many times with the toothpick in his mouth.
