“ I met Mike on his first day of school at Glendale sitting next to me in class, we started talking and told me he just moved here from North Carolina. Mike and his brother Dale lived a couple blocks from me and my brothers in Glendale Gardens. I have not seen Mike in years but we all had some serious kick ass times back in the day going to school at Truman High and of course growing up in Glendale Gardens. The Glendale Crew is getting old now, but we raised hell in our day without causing to much trouble. Rest in Peace Mike.

“ Mike you are not only my brother but my best friend from day one and forever. I am so glad we got to see each other just a few days before the lord called your name I know you are now n good hands and with many people we love. please give my baby a big hugg and kiss from her mother and I, also tell dad I will see him again. Love you so much it hurts to know that I cannot just out of the blue call/text or come out for some brotherly advice. Until I see you again always know you are n my heart

“ I will miss the random texts with either a "WTF" or some type of goofy smiley face. I have so many memories that I can't even begin to chose one. Like Stephanie, it will definitely never be the same at his birthday/fair time, at the lake, at gatherings, holidays, etc. All our love Mikey; you are missed so much already.

“ I'll miss the texts every 2 weeks or so checking in to see how everyone was, the crazy off the wall messages out of the blue reminiscing the old days. RIP Mike

“ I have many many happy and funny memories of Mikey. I know one time a year that will never be the same though. Every year after street fair we always go to Mikeys house to celebrate his birthday. EVERY year. It's not an invite or word of mouth.....everyone just knows that's where they will be. Some of my greatest laughs and good times were there. I will miss this yearly ritual so much. Also, the lake will never be the same. Gatherings will never be the same. He will always be in our memories and hearts. Love u Mikey
