“ *Carl, Carlene, and Family,*

We just now learned of Nancy's death and we are so sorry for your loss. We have so many fond memories of Nancy. We especially remember fun times with Nancy and Carl in Carrollton and at the Kansas City market. We spent lots of time discussing antiques and were thrilled to see them on display in their home. Coca-Cola memorabilia was usually in our conversations as well. Her all-time favorite topic, however, was that fine grandson of hers.

Our thoughts and prayers are with you,
