“ Hazel and i want to express our sincere sympathy to Nellie's sons. i met Nellie in 1951 at the Chillicothe Business College. Roomed with Joe, her future husband, and have stayed in touch over these past 70 years. I always enjoy Nellie's hearty laugh and her cooking when the occasion called for it. Ran into Joe in Korea and got home before he did so Hazel and I went over to Nellie's folks in late 1954 to update Nellie on how Joe looked when I left him in Korea Best Wishes to her family members. Known Nell since 1957 when J L was s baby and they moved next door to my family. They always had a comment and something witty to say snd make everyone feel included. We've remained in touch and they are our extended family always. Nell was a grandmother to our children and sister to me. She'll be greatly missed by us all. Condolences to the boys and their families. Mary and Darrell Plowman

“ Nellie was such a sweet person, always seemed so happy. I saw her last summer and told her that I quote her often. When we first started our corporation, we did business with them. I remember her telling me that “You pay for your education no matter how you get you get it.”
