*Paul was such a joy in second grade (1969). He always had a sweet smile for me. It is easy to remember him in my first year of teaching as he was so kind and caring with a strong desire to always do his best.*

*I went to school with Paul for 12 years and he always wanted to live on a farm as I did. He finally made his dream come true and raised purebred Black Angus cattle and even did a little row cropping. I'm glad he had the chance to live his dream. He was a good friend and was taken from this life too soon. R.I.P. PAUL*

*I have walked,run,endured,laughed and cryed as a child, a young man and an adult with Paul. I have'nt the time to list our memories. The only way to have a friend is to be one*
