“ Geri and Paul were like a second family for me before I went to nursing school. If Geri couldn't fix something Paul could and vice versa. He always had a smile, a joke, a story, loved my kids and made us feel thought about. He and Geri accentuated each other in life as I am sure they did on a dance floor because man they just worked well. I love them both so very much. My life would not be the same without them.

“ I am so sorry to hear that Paul passed. We knew him through dancing at Higginsville and Warrensburg. He was a quiet guy, always friendly.
