“ Dear Gloria, Robert, Fred, Steve, Art, Carrie, Tracy, Linda, Becky, Fred & Peggy and Extended Family,

Please keep all the beautiful memories alive in your hearts. I remember visits to the Pizza & Spaghetti house; wonderful times. Bobby was in the back making the best pizzas in town, and then he would come out to greet me and give me a hug. All the visits I recall to see my parents and family in Rock Island.

Our sincere sympathy and condolences to the entire family. Bobby was a quiet, sweet man, whom I will remember the rest of my life. Wishing you peace at this most difficult time.

Love Pam, Rick and Alexis Davies

“ When my mom was in the hospital having my wonderful sisters and brother I stayed with my grandpa and grandma and my grandpa would take me up to the hospital to visit my mom because she was on bed rest for several months and every time we would go up there I would yank on the bottom of my grandpas shirt and ask him for a quarter for the candy machine and he would joke around with me about do you deserve a quarter and then I would laugh and then he laughed and then you give me the quarter and I would run giggling too the candy machine and get runts
