“ *I have known Bob as long as I can remember. He was a true friend and always there if I needed him - as he was for many other friends, family members and co-workers. He, Jerome Johnson and I were working together the morning after Martin Luther King, Jr.s assassination and I remember we were speechless throughout the day. We didn't know what to say. I will always remember that moment. Bobbie was a fine man and deserves to rest in peace in eternity.*

“ *I am so sorry for your loss. Bobby was a life long friend and hard worker. He served his country as a soldier when it was extremely unpopular. Making the rank of SFC is obtained by few but he did. He often stopped by my old home place on Shelby to visit. I am proud to have known him and will miss him.*

“*Ronnie, Your brother was a very special person - he will be missed. You have our heartfelt sympathy on his passing. Bob lived a faith-filled life and was an inspiration to all of us who knew him. We (the Charles Jackson Family) feel blessed to have known him. Our faith is so important at a time like this. Things seem so hopeless and out of control, however, we know that with God's help, your family will make it through this difficult time. We are praying for you and your family that God will not only give you strength and hope, but comfort you and keep you in His embrace. God Bless. Joyce, Brenda, Gary and Pam Jackson*
