Sorry to hear about Mr. Souder's passing. Growing up on Lipper and having daughter, Brenda, as one my eldest sister's best friends, just made for such a loving relationship. He was my first boss for he gave me an opportunity from 2nd to 6th Grade to be a paper route girl on Main Street for the Kansas City Star. I still have wonderful memories of getting off the bus and taking papers to businesses from Huscher's Drug Store to Page's Drug Store. He listened to you talk about your perspective on life, ask intuitive questions and really showed tremendous care. I am certain, heaven gained an angel when Mr. Cob Souder went home to be with the Lord. A Wonderful Man of Promise in God's sight. Glad I had the chance to know him!
