

Rose Manning

November 15, 1958 - July 7, 2025

Rose Mary Manning (Bonner), 66 of Higginsville, Missouri passed away on Monday, July 7, 2025, at Research Medical Center in Kansas City, Missouri. Rose was born on Saturday, November 15, 1958, in Camdenton, Missouri, to the late Eliga Bonner and the late Mary (Nalley) Bonner. She was raised in Marshall, Missouri, and attended Marshall High School.

Rose later married Tracy Manning and made her home in Corder, Missouri.

After their divorce, she moved to Higginsville, where she spent the remainder of her life building a life of hard work, love for her children, and selflessness.

Rose dedicated over 40 years of her life to caring for others through her work at the Higginsville Habilitation Center and the ISL homes in Higginsville. She had a tireless work ethic, often holding down three jobs at a time to ensure her family was well provided for, making certain her children do not go without.

She loved fishing and enjoyed nothing more than a quiet day by the water.

True to her giving spirit, she often shared her catches with elderly neighbors and friends in the community. In quieter moments, Rose found joy in reading and was a lifelong learner.

Family was at the center of Rose's world. She adored her grandchildren and played an active role in raising them. Her love, strength, and sacrifices left a lasting impression on those who knew her. She will be remembered as a devoted mother, grandmother, and friend - a woman whose life was defined by compassion, perseverance, and generosity.

Rose's presence will be deeply missed by all who were blessed to know her.

Surviving are daughters, Christy Manning and Stacy Deckard both of Higginsville; granddaughters; Lilyauna, Gabriella and Arabella. She is preceded in death by her parents; one brother; one sister.

A private family celebration of life will be held at a later date.

KS

“ I worked many years with Rose at the Higginsville Habilitation Center and she was a dedicated worker. For many years, I remember how she worked at the Hab center and then went to work her other jobs. She was a hard worker but boy did she like to go fishing!
