“ *Dear Pam and Pat and family,
We all feel the loss of your wonderful Mother. In the short time I spent with her and kept in touch with her I thought she was really special. It's so comforting to know we will be together again with her some day.
If there is anything we can do please let us know.
We will always remember the wonderful time we spent with your Mother and all of you at Roger and Lola's farm when my mother (Vera Denny) passed on.
We hope to see you again soon.

When I went through my mom's (Vera Denny)papers and keepsakes I found so many cards and notes for every occasion from your Mom to mine. I was always so thankful that your mom reached out and stayed connected with her. it was a such a kindness and it meant a lot to me.
