“ My heart pours love out to you Ryan. Roy was quite the character and there could only be fun and mischief with you by his side. My favorite story of yours is when Roy insisted you have cake on your birthday at a restaurant. You said no, but he insisted so he could eat it. What a wonderful man. You will have so many memories and stories to tell. God bless you and lift you up through the next few days and in the following days, and weeks to come. I so admire the love you gave to Roy.
Love you!!
