“ *I have many fond memories, but perhaps my fondest is when Aunt Sandy and Uncle Wendell would visit our family. They would walk through our kitchen door with big smiles and laughter. Aunt Sandy would always give me a warm hug. I will never forget Aunt Sandy's laugh and her sincere smile. So kind, so loving and so real.*

“ *I remember Aunt Sandy as having few words and an endless heart. She and Uncle Wendell had one of those timeless loves nearly lost to our modern world.*

“ *Dear FamilySandy and I never got to know each other because of our age difference and location of where we both lived. Mike and Betty came to our Grandparents to stay some summers on the farm and we got together a lot during that time, but she was too little and didn't get to come because she always stayed home. Than, we grew up and had our own families and just never connected. I regret that. You have our deepest sympathy and we will remember you this afternoon. Are love Cousin Doug*

“ Dear Ones, You don't remember me or my family but I'm sure your Mom and Dad talked a lot about us! My mom was your moms and your aunt Betty Jo's aunt Dorothy and with her always came our dad uncle Gerald. We would either go to KC to see them or they would come down and see us in Monett Mo. We loved Aunt Mary Lee and her family so much we would laugh so hard at all the funny things they would say and played cards till early in the mornings. I remember one time you girls were small and we came to see your Momma and daddy down in Fort Smith Arkansas it was so hot we went to the lake to swim. Wendell was always such a sweet man and your momma a sweetheart we were crazy about all of you. My momma and daddy are in heaven now with so many more that we knew and loved. Just remember when we think of your momma we can only remember the hugs the laughter that they always brought to our family. Lovingly , Joyce Weldy-Thomason
