“ I will never forget your laugh...you and Uncle Bub were there for so much. You was there when Johnny was sick and went on, and then when mom got sick you both were right there. I have so many memories....and I will treasure each and every one of them. Who will call me to be there for me now. Looks like I'm the oldest of this side of the family now. I will miss you greatly. Part of my heart will be yours through eternity. I love you.
