“ So sorry to hear of Simone’s passing. My prayers are with her family. I graduated high school with her. Simone had the best smile and was such a sweet soul. I am sure you take comfort in knowing that she was Jesus to the world around her and that she can now rest in his arms. Many blessings to all who new her well and I am sure will have many good memories to cherish.

“ So, so, terribly sorry to hear of Simone passing. I'm sorry I was never a better friend to her because she had so much to teach others. I often wondered what had become of her and pleased to find out nursing and teaching were in her heart. When our paths cross again I hope to call you a friend! Rest in Peace!
