“ Susie & Don & Family: I know you will miss Steve so much but know that he is in the hands of Jesus now and there is no pain just happiness and love. We will see him again but know he was a very special person and loved by all his friends and family. He always brightened my day when I would see him in the store or at the convenience store. He was always smiling and so very sweet. I sure will miss him at our class reunions. God bless your family!
